**Easy to operate**
The lightweight RCNS2-34 and RCNS2-114 are easy to handle and are designed with ergonomics in mind.

**Simple to maintain**
They contain minimal wear parts that are easy to access and change.

**Versatile**
Ideal for applications throughout the metals industry. Its sealing head can easily be pivoted to seal inside tight spaces.

**Durable**
All metal and alloy parts provide long-lasting, low-maintenance operation.
