

Edge Protection

Jumbo Corner

Plastic corner protection for lashing applications.

Solid protection

Providing strong protection and prevents product damage during transport.

High performance

High quality product providing top quality protection performance.

Easy to handle

Easy to handle and apply to the corner of the product, holding the strapping in place.

Reusable

Can be used multiple times making it a cost effective option.

JUMBO CORNER

Plastic corner protection for
lashing applications

Holding strapping and lashing in place, Jumbo Corner wraps around the corner of large products.

Designed for larger strapping used during transportation of cargo on trucks. The product is often used within the paper application, providing a solid corner protection while maintaining the products position during transit.

Jumbo corner applied to paper reels to protect against lashing abrasion.

Technical Specifications

Material	Polypropylene
Max. Width Lashing (mm)	70
Width Outside (mm)	150
Length Inside Long Flap (mm)	180
Length Inside Short Flap (mm)	130
K-factor*	1.9
Pcs per Box	54
Pcs per Pallet	1,350
Box Size (mm)	590 x 390 x 410
Weight per Box (kg)	13.5
Pallet Size (mm)	1200 x 1000 x 2300
Pallet Weight (kg)	360
Tolerance Dimensions (mm)	+/- 0.1
Tolerance Weights	+/- 7%
Certified by the Fraunhofer-Institute IML	OE 150 / 2013-07 on

**The K-factor is defined as the ratio between the material thickness and the neutral fibre axis, i.e. the part of the material that bends without being compressed nor elongated.*
